***If additional space is needed, you may use one additional sheet (single sided); please do not attach more than one page..*

We are requesting a special token that can be handed out at our CASNR Week Banquet on Sunday, April 14, 2013. CASNR recognizes the top 10% of each class in the college, we bring the students on stage, Dean Waller shakes their hand and they receive a small token for their academic success. Previously we handed out a small notebook and pen for \$2.95 each. We order 250 items so we have enough for several years and also lowers the cost. Our choice for our CASNR Week banquet for 2013 would be a black portfolio that would hold a 8 1/2 x 11 notepad. We would have the College name imprinted on the portfolio and we order through UNL Printing Services.

Item/Service Requested (please list)	Amount
Amount Requested : 125 portfolios @ approximately \$8.00 each <i>(Generally awarded for \$1,000 or less)</i> <i>(Please provide an itemized list)</i>	\$1,000.00
Total Amount Requested:	\$ 1,000.00

Attachments/Enclosures: Please see attached program.

Are other resources available if this award cannot be granted? Yes, Steve Waller would provide funds

Date Submitted: 1.2.2013

Note: Appropriate documentation (official invoices or receipts) must be provided in order to receive payment for the items/services purchased. Documentation must be received within one year of notice of award. Unused funds will be forfeited. By accepting this grant, you agree to provide an impact statement after the event/purchase describing what the money was used for and the benefit to our students as a result of the grant. The impact statement should be provided within three weeks of the event or use of purchase. Failure to provide the impact statement as requested may impact future grant requests.
